Report of Oyster Philanthropy for Six Months.

Get ONLY THIRTEEN ARE LOST at | This Out of a Total of 395 Children

> Supplied With Milk-Nurses Visit Homes.

With a record of but thirteen babies lost out of a total of 395 fed, a report on the first six months of the operation of the George M. Oyster, jr., milk philanthropy has been made public by Dr. S. S. Adams, a member of the advisory board of the philanthropy. The unusually small death rate, which

given at 2.5 per cent, will make the report of interest to the medical and scientific worlds, it is believed. Representathe philanthropy is to be maintained and enlarged as the needs of the city demand. Dr. Adams announced the results of the first six months' work at a meeting of the board of lady visitors of Children's Hospital, held yesterday. One of the largest of the Oyster stations is maintained at

Doors open at 7.30.

IS EXPLAINED BY MEYER

Change to Asiatic Station Was Originally Sought by the Former.

Secretary Meyer has explained the condition which led to the decision to transfer Rear Admiral R. F. Nicholson from the head of the bureau of navigation, Navy Department, to the command of the Asiatic fleet in March next, and the appointment of Commander Philip Andrews as chief of the navigation bureau. ... said that Admiral Nicholson had expressed a preference for the Asiatic command some time ago, but when it was offered to him, he said he regretted that he could bureau. The Secretary had reminded him that opportunity waited for no man and he had thereupon consented to accept the ives of Mr. Oyster today announced that assignment, though it appeared that he now regretted that decision.

Conformity to Other Bureaus. He (Secretary Meyer) had decided that the navigation bureau should conform to the other bureaus, in having a commander or a lieutenant-commander at its head. Admiral Nicholson was not sufficiently acquainted with the younger men in the navy to pass upon their qualifications for important assignments, as was According to the figures given out, of Commander Andrews (picked to succeed the 395 babies fed 303 were furnished milk him), who had made the world cruise absolutely without cost. The remaining with the fleet, and knew all of the other 92 were supplied with the fluid at prices tion of the various "aids" having charge of personnel, operations and material, all There were 157 white babies fed and 238 formerly in charge of the navigation bucolored. Refuse to Accept Proffered Resignation of Chairman Hunt.

DIRECTORS OF C. OF C. MEET

C. J. Bell Asked to Reconsider Action—Important Financial Proposition.

After D. J. Callahan, first vice president of the Chamber of Commerce, and Isaac Gans, chairman of the publicity committee, had criticised a deficiency appropriation of about \$140 to reimburse the delegates who attended a convention in Davenport, Ia., last summer, for the purpose of bringing the next meeting of the organization to Washington, Granville M. Hunt, chairman of the conventions committee of the chamber, handed in his resignation to the board of directors. Mr. Hunt explained to the directors, who were holding their regular December meeting last night, that he took this course because of criticisms of the work of his Before the close of the meeting a reso-

ution expressing the thanks of the board to Mr. Hunt and the conventions committee for their excellent work, and declining to accept the resignation of Mr. Hunt, was adopted without a dissenting vote. The resolution was offered by Dr. Arthur T. Ramsay. The resignation of Charles J. Bell as second vice president of the chamber was laid before the board, which voted to ask Mr. Bell to reconsider his determination to resign. A committee of three will cal upon Mr. Bell and make the request in

Financial Proposition Reported.

Charles W. Darr, on behalf of a special committee of the chamber, made a favorable report to the board on a proposition submitted by B. V. Cummins and George H. Gall to finance Washington's end of the George Washington Memorial Hall project. The proposition, which contemplates the purchase and sale of large subdivisions in Washington, will bring to Washington thousands of homeseekers, ald in the erection of a building for the Chamber of Commerce, and aid also the erection of business and manufacturing houses in the District. In view of the importance of the matter, it was determined to call a special meeting of the board of directors for Monday night to pass finally upon the plan, which received the highest kind of indorsement from the special committee. It was explained that this plan would in no way conflict with the Robert N. Harper plan | for bringing light manufactures to Washington through the establishment of a holding corporation, which has already

Committee to Call on President. A resolution was adopted authorizing President James F. Oyster to appoint a tillery by 675 officers and 14,584 men and passing through Washington to points on the coast artillery militia by 902 officers the southern and western borders of the country. A. Lisner reported on the project
